MODERN PACKAGING SOLUTIONS – for the Food, Catering, & take-away industry

PP trays for the Microwave

About us:

We understand that no matter what products we offer you, this has to be backed up by good service. LPS is a family business, and good customer service is very important to us. We have been supplying our ALX Machinery & Food Packaging to customers in the UK & Ireland for the past 12 Years. We offer next-day delivery nationwide and are always happy to help in cases of emergency to ensure you always have our wonderful packaging products in stock.

The PP Trays for the Microwave..

..Outside: Aroma Tight – Inside: Fresh 'n' Tasty!!

Ideal for the increasing demand of fresh & light meals to-go – hot and cold dishes, pre-portioned, and attractively packaged are the latest growth area of take-out food sales. ALX PP Trays are an up-to-date and advanced solution for a delicious ready-made home meal. Crunchy snacks, healthy made meals, chilled and frozen dishes or a vitamin filled Salad, can all be sealed with the ALX Sealing System and the OLAF translucent easy peel film.

Individual and various applications of ALX PP trays:

- Full range of Home Meal Replacement concepts
- Take away
- Catering, Work Place Catering
- Meals on wheels
- Convenience food solutions

Advantages of ALX PP trays at a glance:

- Microwaveable & cold resistant up to -30°C
- Heat Resistant up to 120°C
- Available in Black/White or Clear
- Sealed trays are 100% Leak Proof!
- Easy to open
- Recyclable
